Monthly Update OCTOBER 2022

We have updated our statistics page. [Go check it out here!](#)

Top 5 ENplus® certified pellet producing countries
(2015 - 2022, tonnes)

Now you can easily find out the status of a company in our database. Just use the quick company search in the header of [our home page](#) and see if the pellet supplier in question is ENplus® certified or not.

We remind you that the new ENplus® documentation is already [available on our website](#). [Read this article](#) to learn about the key changes.

Read our latest interview with [Gordon Murray from WPAC](#) on the role of certification in the end-user's perception of pellets.

Training for inspectors who want to perform ENplus® inspections of pellet production plants and pellet trader facilities will be held in mid-November in Vienna, Austria. [More information here.](#)

• [Geldrop, The Netherlands](#) – 26.01.2023 (NEW DATE)

The main focus of the training events will be the new requirements brought with the revised documentation. The quality managers of the certified companies should complete a training every certification period.

We were happy to see so many motivated pellet professionals at our ENplus® Quality Managers Training

events in Belgium and Sweden.

Bioenergy Europe is recruiting a Fraud Assistant to join the Certification department with the aim in supporting the management of ENplus[®] fraud cases. [Find more here.](#)

Bioenergy Europe is pleased to announce that the European Bioenergy Future (EBF 2022) conference will resume in Brussels, allowing the biomass industry to meet again in person! The EBF 2022 will take place on 22-23 November. [Learn more here!](#)
