

# Monthly Update

January 2024

## Pellet consumers: latest trends

ENplus<sup>®</sup> has conducted a dedicated survey to gather direct feedback from pellet consumers and observe the latest changes in their opinion and purchasing behaviour. See the results [here](#).

---

## Interview

Isis Taipe Maldonado from ENplus<sup>®</sup> Head Office gives some important advice on what to be careful with when purchasing pellets and tells us all about ENplus<sup>®</sup> fraud management. Check out the full interview [here](#)

---

## New country

ENplus<sup>®</sup> welcomes first certified company in Japan – the pellets trader [Hanwa Co., Ltd.](#) The certification scheme is now present in more than 50 countries in the world.

---

## Do you know?

The European Union continues to be the global leader in wood pellet production, producing 20,6 million tons in 2022. The EU also keeps its status as world leader with 52% of total consumption. Find more useful data in [Bioenergy Europe's Statistical Report: Pellets](#).

---

## Job vacancy

We are looking for a Certification Project Manager and an Administrative Assistant. Find out more about these job vacancies [here](#).

---

## Quality Managers Training

This year, ENplus® will organise Quality Managers Training courses in USA, Brazil, Poland, Slovakia, Romania, Bulgaria and the Balkans. The e-learning training is available as an option to quality managers of certified companies in countries different from the aforementioned. All quality managers are obliged to pass a training within the first year of the certification and then at least once every certification period.

---
